Everything

Verse 1

It's been nine days, eight hours, forty minutes, ten
seconds
Since you called
I've been so crazy, I've just about taking our picture
Off the wall
It's been three months, over hundred days since you
Held my hand
And I miss you in a thousand ways
Will I ever see you again

Pre-chorus

How did it change so fast
(I won't give you to the past)
I really thought it'd last

Chorus

All that we had was so unbelievable
Now that it's gone it's just inconceivable
Still in my dreams, you were so damn beautiful
How could it be that you ruined my
Everything, everything, everything

Everything, everything, everything

Verse 2

It seems like everywhere everyone's in love
So, where are you?
And I remember you couldn't get enough

You felt it too
(hor dare you?)

Pre-chorus

Chorus 2x

Everything, everything, everything
Everything, everything, everything

Ooh, hooh
You're really my verything, everything, everything
Everything, everything, everything

Everything, everything, everything
Everything, everything, everything
Everything, everything, everything
Everything, everything, everything

It's been nine days, eight hours, forty minutes, ten
seconds
Three months and a hundred days
And I miss you in a thousand ways
Will I ever see you again
