It's been nine days, eight hours  
Forty minutes, ten seconds  
Since you called, I've been so crazy  
I'm just about taking our picture off the wall

It's been three months  
Over hundred days since you, held my hand  
And I miss you in a thousand ways  
Will I ever see you again

How did it change so fast  
I won't give you to the past  
I really thought it'd last

All that we had was so unbelievable  
Now that it's gone it's just inconceivable  
Still in my dreams, you were so damn beautiful  
How could it be that you ruined my  
Everything, everything, everything  
Everything, everything, everything

It seems like everywhere everyone's in love  
So, where are you?  
And I remember you couldn't get enough  
You felt it too, or did you?

How did it change so fast  
I won't give you to the past  
I really thought it'd last

All that we had was so unbelievable  
Now that it's gone it's just inconceivable  
Still in my dreams, you were so damn beautiful  
How could it be that you ruined my  
Everything, everything, everything  
Everything, everything, everything

It's been nine days, eight hours  
Forty minutes, ten seconds  
Three months and a hundred days  
It's been nine days, eight hours  
Forty minutes, ten seconds

I miss you in a thousand ways

How did it change so fast  
I won't give you to the past  
I really thought it'd last

All that we had was so unbelievable  
Now that it's gone it's just inconceivable  
Still in my dreams, you were so damn beautiful  
How could it be that you ruined my  
Everything, everything, everything

All that we had was so unbelievable  
Now that it's gone it's just inconceivable  
Still in my dreams, you were so damn beautiful  
How could it be that you ruined my  
Everything, everything, everything  
Everything, everything, everything  
Everything, everything, everything

Oh you are my everything, everything, everything  
Everything, everything, everything  
Everything, everything, everything  
Everything, everything, everything

It's been nine days, eight hours  
Forty minutes, ten seconds  
Three months and a hundred days  
It's been nine days, eight hours  
Forty minutes, ten seconds  
I miss you in a thousand ways

Everything, everything, everything  
Everything, everything, everything  
Everything, everything, everything
