Kiss on the mouth/ bliss of a touch/hand in a hand/
killing the fiend/ i'll write my love on more than a
thousand weeping willows/a walk on your voice/ so far,
so close/ a whispering child/ so far, so mild/all the
colors mixed up in falls of rainbows/ tears on your
neck/ holding you near/ sparkling shells/ three comet
tails/ hoping for some magic to make your heart beat
next to mine/shiny island/ blue underground/ my
everyday/ is fading away/ im flying through the wind/
and whistling some strange melody/ hang on to me/
getting out of my corpse/ please don't leave me/
watching you from the clouds/ melancholy/ you'll join
me soon my love/ feeling frozen/ i'll warm you
everynight/ falling asleep/ i'll travel in your dreams
