You just said the worst thing you could ever say
Well, I don't understand why it just can't be this way
I'm crying because of you

[Chorus]

I hate, yes I hate all your lies
I'm so scared
And I fear what I see in your eyes
But I hope, and I dream, and I wish, and I pray
That you have some love left for me
Do you have some love left for me?

You just did the worst thing you could ever do to me
Well, I don't understand why and I cannot see

That it's hurting because of you

[Chorus]

Do you have some love left for me?
Do you have some love left for me?

[Chorus...]

I hate, yes I hate all your lies
I'm so scared
And I fear what I see in your eyes
(you don't feel anything)
But I hope, and I dream, and I wish, and I pray
That you have some love left for me
Do you have some love left for me?
