Dear Diary,
Something good happened today
He finally called me by my name
I didn't know how to behave
What to say or do
I was so confused

Dear Diary,
I wanna talk to him again
But whenever he is with his friends
He keeps trying to pretend
But I already see
The way he feels for me

What can I do?
Tell me what can I say
When do I let him know I feel the same way?
How can my feelings be so hard to show when
I really want him to know

Dear Diary,
He wrote some letters on his hand
It wasn't hard to understand
I figured I'm part of his plans
But now I'm in his heart
I don't know where to start

What can I do?
Tell me what can I say
When do I let him know I feel the same way?
How can my feelings be so hard to show when
I really want him to know

BRIDGE

You're my secret hiding place
Where my private thoughts are safe
And just one look and he will see
What's inside of me

What can I do?
Tell me what can I say

When do I let him know I feel the same way?
How can my feelings be so hard to show when
I really want him to know

What can I do?
Tell me what can I say
When do I let him know I feel the same way?
How can my feelings be so hard to show when
I really want him to know

Dear Diary
