Since I was young, I knew I'd find you
But our love was a song sung by a dying swan

And even now you'll hear me calling
You'll hear me calling
And in your dreams you'll see me falling, falling

Breathe in the light
I'll stay here in the shadows
Waiting for a sign, as the tide grows
Higher, and higher, and higher

And when the nights are long
All the stars recall your goodbye, your goodbye

And even now you'll hear me calling
You'll hear me calling
And in your dreams you'll see us falling, falling
And even now you'll hear me calling
You'll hear me calling
And in your dreams you'll see us falling, falling

Breathe in the light and say goodbye
Breathe in the light and say goodbye.
