Mal d'esprint, Gay Paree!  
Oh oh eau de vie  
Paris rides his Crazy Horse  
At Longchamp, mais of course  
Marseillaise, grenadine  
Marquis de Sade, guillotine

Escargots et grenouilles  
Jean-Paul Sartre on Montmartre  
Can-Can, Django, Beaujolais  
Fernandel, Coco Chanel  
Pompidou and Pompadour  
Deja vu, that makes two

French is strange

Oh oh feeling low  
Oh oh Jean Cocteau  
Moulin Rouge, Folies Bergeres  
Someone's hand on my derriere  
Hey, garcon, what's your game?  
Love is French but you're a pain

French is strange
