Who am I  
Created day by day  
I'm your fantasy  
Who am I  
With cool, soft claws  
A golden mystery

See and feel  
How I come alive  
In the pouring rain

I'm a Salamander

You know  
You can always catch me  
But only for a while  
You know  
I'll always run free  
Unless . . . you kill me

See and feel  
How I come alive  
In the pouring rain

I'm a Salamander

Who am I  
I love water  
Fire caresses me  
You know  
I love fire  
Fire and the rain

See and feel  
How I come alive  
In the pouring rain

I'm a Salamander
