Why hide yourself in yesterday?  
When you disappear  
you remain there.  
I find you for the hundredth time  
Still, the abyss between us  
gets deeper, I feel.  
But if I give up  
you'll be lost for good.

ref. On forbidden land  
I wander again  
Looking for you  
but a bound keeps us apart.  
This forbidden land  
like a fog in front of me,  
I hope it'll clear up some day.

If I can't find you,  
seeking the days run out.  
Even being near me  
you don't know, hear or see me.  
I still see you  
remaining again in yesterday.

ref. On forbidden land...

..I'll bring you back from there  
I promise I'll do...  
..from forbidden land...  
..this forbidden land...  
..can't keep you for ever  
..it'll disappear between us

ref. (mod back voc)  
On forbidden land  
I wander again  
Looking for you  
but a bound keeps us apart.  
This forbidden land  
won't keep you for ever
