Here I stand by your side  
It's been a while since we've talked about the future  
I can't lie, it's how I feel  
There's only so much love for me to give  
And I can't see, you wanna stay a little longer  
I can't breathe, I can't do this anymore  
Chorus:  
He is always on my mind  
He is always by my side  
And I can't let him go  
Every minute of my time  
Every moment every night  
In my dreams he's alive  
Always on my mind  
No more words in this room  
I'm sorry but I hope you understand me  
I'm telling you  
Go away, don't look back  
Cause' there's nothing more for me to say  
Cause' I can't speak if the pain is getting stronger  
I can't breathe, I can't take it anymore  
Chorus  
Now we're standing at the edge of the line  
And I will miss him for the rest of my life  
Chorus
