Visit "[Hide Your Heart](#)" on MotoLyrics.com

All alone in this garden of earthly delights
No one around to tell us what's wrong or right
And I'm plucking this forbidden
fruit down from the tree
now I'm holding out the apple
won't you come to me

Can you see it
Can you feel it
Do you want it
Can't you smell it
Almost taste it
Are you hungry oh oh oh

You'd better hide your heart oh tonight (x2)

Two paths to go down it's up
to you to decide
Let go of innocence or hold
on to your pride
I will lead you
Don't be frightened
You could be king
Live forever

You'd better hide your heart oh tonight (x2)

Fall into temptation
Yielding to sensation
Give in to seduction
There's nowhere left to run
It's do or die
You'd better hide
