It's been too long
too many nights
If I could change or
turn back time one hour
with you my flower
I can't pretend I'm
still the same
My friends keep saying
it's a game I'm loosing
It's so confusing
So full of heartache
I can't live without our love
but my baby! We'll go high up above
I can't walk or talk
and my tears keep falling
I'm knocked by the shock, you're
my everything - in my hometown
He was lost and found in my own hometown
I can't walk or talk
and my tears keep falling
I'm knocked by the shock, you're
my everything - in my hometown
He was lost and found in my own hometown
My soul surrendered
all at once, my

heart was captured by
that love so tender
that sweet surrender
I kiss the name you
used to sign
I read those letters up
and down for ages
the same old pages
So full of heartache
I can't live without our love
but my baby! We'll go high up above
I can't walk or talk
and my tears keep falling
I'm knocked by the shock, you're
my everything - in my hometown
He was lost and found in my own hometown

I can't walk or talk
and my tears keep falling
I'm knocked by the shock, you're
my everything - in my hometown
He was lost and found in my own hometown
