I see you smile
and I wonder what you mean
with that expression
I can't be sure
Cause you have
fooled me before
And every day
I try so hard
to find you
Gettin' your attention
in every way
that I possibly can
But I don't wanna cry no more
I'm beggin' you please
not to play with my feelings
So tell me just what I have to do
to get you
So tell me
What in this world
could make you mine
Oh baby
I wanna know for sure
this time
I don't wanna wait no longer
Please tell me I need to get stronger
Oh baby
What do I have to do
I shall be strong
and I will keep on searchin'
In time our eyes will meet

I wish I knew
if you think of me too
But I don't wanna cry no more
I'm beggin' you please
not to play with my feelings
So tell me just what I have to do
to get you
So tell me
What in this world
could make you mine
Oh baby

I wanna know for sure
this time
I don't wanna wait no longer
Please tell me I need to get stronger
Oh baby
What do I have to do
So tell me
What in this world
could make you mine
Oh baby
I wanna know for sure
this time
I don't wanna wait no longer
Please tell me I need to get stronger
Oh baby
What do I have to do
