Steve Conte:  
Here you are  
Daylight Star  
Made out of miracles

Perfection of your own  
You alone  
Oh so incredible

Each atom sings to me  
Set me free  
From chains of the physical  
Oh free me  
Oh free me

Steve Conte and Maaya Sakamoto:  
The mirror melts  
Somewhere else  
Inside eternity

Where you, on outstretched wings,  
Sing within  
The garden of everything

Where memories call to me  
Backward dreams  
Or phantom reality  
Call to me  
Call to me

Steve Conte:  
So here we are lovers of lost dimensions  
Maaya Sakamoto:  
Itsuka hi no kaze ni noote haruka tooi  
Steve Conte:  
Burning supernovas, of all sound and sight  
Maaya Sakamoto:  
Hayaka no koto e  
Steve Conte:  
Every touch, a temptation  
Maaya Sakamoto:  
Itsuku sora hitotsu michimono hi Wataateyukeyu

Steve Conte:  
And for every sense, a sensation  
Maaya Sakamoto:  
Hanateta koto e

Steve Conte:  
Eyes of pure  
Deep azure  
Quite unbelievable

Sun's daughter, you've been made  
Not to fade  
Quite inconceivable

Each atom sings to me  
Set me free  
From chains of the physical  
Oh free me  
Oh free me

Steve Conte and Maaya Sakamoto:  
A love like ours  
A starry flower  
Through seasons and centuries

As rivers reach the sea  
You reach me  
With songs of your symmetry

A small boat, there will float  
To far off coasts  
The Isle of Infinity  
Come with me  
Come with me  
Come with me

Here we'll see  
Love's lost tree  
Made out of miracles

Emotions, crystal leaves  
To cover me,  
And you in eternity

Each atom sings to us  
Through the blood  
Love is a miracle  
Sing softly  
Sing softly  
Sing softly  
Sing softly

Steve Conte:  
So here we are lovers of lost dimensions  
Maaya Sakamoto:  
Itsuka hi no kaze ni noote haruka tooi  
Steve Conte:  
Burning supernovas, of all sound and sight  
Maaya Sakamoto:  
Hayaka no koto e  
Steve Conte:  
Every touch, a temptation  
Maaya Sakamoto:  
Itsuku sora hitotsu michimono hi Wataateyukeyu  
Steve Conte:  
And for every sense, a sensation  
Maaya Sakamoto:  
Hanateta koto e

Steve Conte:  
So here we are twin stars, brilliant brightness  
Maaya Sakamoto:  
Itsuka hi no kaze ni noote haruka tooi  
Steve Conte:  
Lanterns lit by life for all the depths of night  
Maaya Sakamoto:  
Hayaka no koto e  
Steve Conte:  
And every day will return us  
Maaya Sakamoto:  
Itsuku sora hitotsu michimono hi Wataateyukeyu  
Steve Conte:  
To arms of the ever eternal  
Maaya Sakamoto:  
Hanateta koto e

Steve Conte:  
So here we are, so far from earthly orbits  
Maaya Sakamoto:  
Itsuka hi no kaze ni noote haruka tooi  
So here we are  
Steve Conte:  
Burning supernovas, of all sound and sight  
Maaya Sakamoto:  
Hayaka no koto e  
Steve Conte:  
Where every day will return us  
Maaya Sakamoto:  
Itsuku sora hitotsu michimono hi Wataateyukeyu  
Every day will return us...  
Steve Conte:  
To arms of the ever eternal

Maaya Sakamoto:  
Hanateta koto e

Steve Conte:  
Here we are...  
Maaya Sakamoto:  
Here we are...

Steve Conte & Maaya Sakamoto:  
Lovers of lost dimensions
