I need another one for the cryin', the cryin'
Be sure about it girls, even though you're singin' it soft
and it's pretty
Put it right on the notes, right on the notes, go ahead

I use to cry like a baby
When I did not hear from you
(Cry)
But that's okay, yes, it is, yes, it is
'Cause I'm a big girl now
(She's a big girl now)

I still love you but until you
Make up your mind that you'd be true
(Be true)
No more worry, no, no, no, no
'Cause I'm a big girl now
(She's a big girl now)

One thing I found out about the hurt you did shell out
Two can play the game
If you gonna love somebody
Then why can't I, why can't I love somebody?
'Cause it's all, 'cause it's all the same

I'm standing in the need of your love
(I needed, I needed)
But you got somebody else that you're thinking of
(Thinking of)
But I'm not gonna let that worry me, no, no
'Cause I'm a big girl now!

I'm a big girl, you taught me how to grow up and face
reality
(Real, real, real big girl)
I'm a real, I'm a big girl, yes I am, yes I am
If you got to love somebody
Why can't I find somebody to love me?
(Real, real, real big girl)

Yes, I am, yes, I am

I'm a big girl, a real big girl
(Real, real, real big girl)
A real big girl
