I could just sit around, making music all day long.
As long as I'm making my music ain't gonna do nobody
no harm.

And who knows, maybe I'll come up with a song
To make people want to stop all this fussing and
fighting
Long enough to sing along.

CHORUS:

I believe in music
I believe in love
I believe in music
I believe in love.

Music is love and love is music if you know what I mean
People who believe in music are the happiest people
I've ever seen

So clap your hands and stomp your feet and shake
those tambourines

Lift your voices to the sky; tell me what you see.

(CHORUS)

Music is the universal language, and love is the key
To peace hope and understanding, and living in
harmony

So take your brother by the hand and come along with
me

Lift your voices to the sky, tell me what you see.

(CHORUS)
