[Verse 1: Mack 10]

I'd be like damn! This shit is unbelievable (What?!)  
Now a days - ah nigga can't even bust a hoe  
Just like this one broad I seen her on my show (Uh-huh!)  
The bitch called herself Mack C-1-0 (Damn!)  
Then the gangsta boogie on rock and throwin bows  
(Whoa!)  
Man, this bitch eat more cassie and conrows  
I told her next time, let the pussy get it drippin  
Bitch, puts some dick in your life, now quit trippin  
(Haha!)  
She said " Motherfuck you, I'm takin it and I'm strong  
I don't wan' no dick, all I need is a cool tongue " (Oh  
shit)  
I said " Well I'll be damn, this one is gon' too far  
You hoes got liquor ices like a neighborhood bar "  
Plus all this twist it shit just bad for your health  
Now bitch, what the fuck named you over your freaky  
self  
She said " Cause I so - I tote for free  
if you want your bitch - keep a ass away from me ", ya  
heard me

[Chorus - 2x]

{\*Woman harmonizing\*}  
She said she wan' no dick at all  
She said she rather lick 'em click and balls

[Verse 2: Skoop Delania]

Now tell me what I gotta do to get the kick?  
Without the bullshit like a dick is for bittin  
What a deal here you rather go chick on chick  
With no dick when you fuckin? Just click to click  
I should read between the line but I was buggin and  
shit  
By thinkin a pears tongue wants a suckin a dick  
Yeah you had me fool a turch go where you say  
But we ??? P.I. peanuts everythang  
They tellin me about your man he was first in your last  
Now demansion all the drag how we hurt you in your  
past (Awww!)

And now female the D6 the tits in ya knees  
Cause niggas al-ways got a trick up off they sleeves  
(yeah deep dick)  
But on the real though is the askin is still no  
But you rather have a hoe strap on dildo (Oh shit, what  
is that?)  
Basically the broads act like ain't missin a dick  
But they rather bump up each other cock just lay up  
and lick  
Damn! - ain't that some fucked up shit!

[Chorus- 2x]

{\*Woman harmonizing\*}

She said she wan' no dick at all

She said she rather lick 'em click and balls

[Verse 3: E-40]

(I smell that, Mack dime, Mack dime)

I say a woman can please woman and the the man can  
please a woman

The woman knows what woman like? But I don't believe  
the hype(hype)

I done ran across this type I done duck off of the few  
dice

I done made of ruler be thinkin plumber and a lay pipe  
(what else?)

I used to think of her about a year and half ago (Yooo!)

How we contramatic like a water and ? Mexico (Mexico)

Cracker say that! oh I used to lake that

I pulled her panty to the side to let her take a ride (ride)

Right bitches, All Night bitches, Fight bitches

On the middle of we all together bitches

Suck around and turn the party out

????? corner over to retaliate cowards be out

Now that's a rib out - the whole protect it Pow

Hotta Pow, lexible a - allegible

Irresistible called kiss a pow

Nigga you tryin anything to get, you try sexual (you try  
sexual, what?!)

[Chorus - 4x]

{\*Woman harmonizing\*}

She said she wan' no dick at all

She said she rather lick 'em click and balls

{\*E-40 ad libs and fades\*}
