(I ain't goin' out like a sucka, no way)

Hah, it's Chris Webby, yeah  
Asher Roth ain't the only college boy on this rappin' shit  
And I love college too, shit, ha

[Chorus]

That party last night was awful nuts bro, wish I  
remembered  
But I took a Xanny and shots of SoCo so it's whatever  
Roll my blunts and pop my E, now chug that 40 just like  
me  
Pass out at 6, wake up at 3, then do it again tonight  
drinks on me  
Man, I love college

[Verse 1]

I love college even more than Asher  
Different chick every other night, come home plastered  
(Ha!)  
Somehow pass class and twist blunts after  
I'm Hofstra's top dog and home-court rapper (Yessss)  
Fitted pointed backwards, spittin' that fire (Fire)  
The shit on campus b\*tch, ask Van Wilder (Wilder)  
Don't need a reminder to party every day (Nah)  
'Cause I'm an alcoholic I'll remember anyway  
I've been drunk since 12, motherf\*ck a drinkin' age  
Walk into the liquor store pull my wallet out to pay (like,  
what?)  
Clerk tellin' me I'm not who I say I be  
Even though it says I'm Spanish on my fake ID, gee.

[Chorus]

That party last night was awful nuts bro, wish I  
remembered  
But I took a Xanny and shots of SoCo so it's whatever  
Roll my blunts and pop my E, now chug that 40 just like  
me  
Pass out at 6, wake up at 3, then do it again tonight  
drinks on me  
Man, I love college

[Verse 2]

They say drugs make you dumb but I don't think they  
do  
Last semester, I pulled a f\*ckin' 3.2 (what, b\*tch)  
When I wake up's the only time I'm sober enough  
To do homework unless I'm hung over as f\*ck  
But still there ain't a teacher that can hold me (Nah)  
Go to class blunted lookin somethin' like Spicoli  
Or I'll just pull a Ferris Bueller skip the whole day  
I'm just here for the partyin' I hope that's okay (Okay)  
But there's no way I'll stop because this sophomore's a  
monsta  
Even though I'll end up doin' six years at Hofstra  
Sit back, sippin' on my beer with the mic  
Knowing these are gonna be the best years of my life,  
right?

[Chorus]

That party last night was awful nuts bro, wish I  
remembered  
But I took a Xanny and shots of SoCo so it's whatever  
Roll my blunts and pop my E, now chug that 40 just like  
me  
Pass out at 6, wake up at 3, then do it again tonight  
drinks on me  
Man, I love college

[Verse 3]

I'm a flip cup phenomenon, beer pong pro (whoa)  
Hit all ten in a row with my f\*ckin' eyes closed  
A little bend of the knees and a flick of the wrist  
Have you chuggin' every second while I'm sippin' my  
shit  
Dutch Master always full of some ridiculous piff (hitttttt)  
That got me twisted like a licorice stick, listen to this  
(coughhhh)  
My time is never wasted, cause I'm always wasted  
I f\*ckin' love college, that's all I can say kid (Yup)

[Chorus]

That party last night was awful nuts bro, wish I  
remembered  
But I took a Xanny and shots of SoCo so it's whatever  
Roll my blunts and pop my E, now chug that 40 just like  
me  
Pass out at 6, wake up at 3, then do it again tonight  
drinks on me  
Man, I love college

Keg parties, sorority b\*tches, all my homies,

Why the f\*ck would I ever leave, man? I love college  
This where I'ma be at  
They're gonna have to drag my ass the f\*ck out of  
here, man

It's Chris Webby
