Yeah! Yeah!
I be killin' 'em
Ye ye, I'm killin' 'em
Till my bank statement reads 27 million
They said I couldn't do it so you know I gotta get it done
Acrobatic rappin' the way that Webby be flippin' son
Six mixtapes and the fans need more
I hit the fork in the road and took a detour
Fire Marshall shuttin' shows down
Cuz I blow up spots like a Dalmatian strapped up with
C4
Blow minds when they heard the rap
Hustle so many tapes you think I'm servin crack
Make bass lines sizzle when I burn a track
Only dude who made Datpiff's server crash
Yo I'm nice better learn the facts
Came a long f*ckin' way not a chance I'll be turning
back
Uh, so you know that I'ma rap check 'em
When I put my fitted cap back like Ash Ketchum
I beat 'em up grab an EMT
Think you better then you must be takin' DMT
Dream on mothaf*cka I am DMC
Hard body flow cop my tape at GNC
See,
I shut 'em up like they Papa Doc
Cuz I got more lines than a Stop & Shop
On the day before thanksgiving yeah I drop a lot
Of shit stealthy in the game like an ocelot
Ha!
Mortal Kombat logo tatted on my back
So you know I'm gonna "Finish Him" from the moment I
attack
I'm a train passenger all I need is a track
To be getting' where I'm goin' and when I do it's a wrap
So step when I bust
Get left in my dust
I'm in it to the finish investin' my bucks
The best and I just don't stop... an animal
My manager found me up at Pet Supplies Plus
Plus I be killin' 'em consecutively
Without expending any energy effortlessly

I got a bag full of trees, Chef Boyardee
And a hometown throne in the 203
Motherf*ckas know
They better tuck and roll
Cuz I'm the Master and Commander of this shit

They call me Russell Crowe
I'll never love a ho
So I'll wear a rubber bro
If I have a kid I'll get disowned by my mother yo
On another note nobody can step to me
I think I may have told you already but with my memory
It's hard to remember anything after all the ecstasy
But still they can't touch me like I got a case of Leprosy
I got 'em askin' questions like they playin' Jeopardy
"A dope spittin' white boy?"

Bzzzt

"What is Chris Webby"

See they take shit too serious, I'm here to add some
levity

Roll a J and take one to the head John Kennedy
What I'm here to do is pretty f*ckin' clear cut
Even at 45 with a beer gut

I'ma still get your chick wetter than a tear duct
And make mixtapes that'll get your ear f*cked

Not in Taylor Gang,

Not a Young Mula

I'm in Webby's World

I am the 1 Rula

Nerf Gun Shoota

With a dumb aim

Leavin' Monica Lewinsky with a cum stain

Untamed understand the flows

I'm dope, but at this point the fans should know

HBO flow with a Band of Bros

And a chick with an ass fatter then Amber Rose

Hehh!

I throw 'em off like a star pitcher

They can't follow the flow the way the bars hit cha

I'm a bar spitta

Shit

Them beaten me is like seein' Mel Gibson at a Bar

Mitzvah

Yeah!

I be killin' 'em

Heh!

I be killin' 'em

Yeah!

Hahaha

Yeah!
