[Intro]

Yeah

Webby

Shit, I've been at the bottom for a while, you know?

I know that, but uh.

Shit, we in the skyline now baby,

Heh, Yeah.

[Verse 1]

I've been stuck underground,

but now it's my time.

Time to take flight,

right in to the skyline.

Off to beautiful women

sippin' on fine wine.

Up at the stadium

where the lights lime.

And I'm,

movin' way past sound check.

Still lookin' for a life

that I ain't found yet.

Round trip

on a magical school bus.

Before we touch down,

shit they already knew us.

Made it from the bottom

to professionally rappin'.

While they were tellin' me

that it was never gonna happen.

Now it's funny

to see the haters' reactions.

Cause they ain't sayin' a word -

Charlie Chaplin.

I'm back in this bitch relaxin'

Put in the groundwork

now it's time to cash in

Heh, and everybody knows I earned that

Headed to the skyline, feet up, first class

Yeah!

[Chorus]

I don't know about you but I know one thing

I ain't gonna wait around here to make it
Anybody with a dream got to feel the same
If it ain't given to me then I'ma take it
So let me just
Fly fly, fly fly
Cause they tellin' me it's my time
Fly fly, fly fly
And disappear into the skyline.

[Verse 2]

Spit the toughest shit,
who touchin' this?
Always chillin' with a bird,
Snuffaluffagus
And I'm lovin' it,
no Mickey D's.
Just Colt 45
and some piffy trees.
Jeeze,
got my boardin' pass ready.
I'm headin' to the top,
they ain't gettin' past Webby.
Yeah,
been on the grind since 8th grade.
Went from gettin' no girls
to bangin' Playmates.
Heh, what up Ms. November?
My flight's taking off,
got my shit together.
Ready for whatever,
do it better than before.
I'm the reason
my competitors
are headin' for the door.
Cause I'm deadly and I'm raw
with the mic tonight.
Got the cameras all flashin'
like a lightning' strike.
Heh, I'm on another altitude
And they ain't ready for the shit
that I'm about to do.

[Chorus]

I don't know about you but I know one thing
I ain't gonna wait around here to make it
Anybody with a dream got to feel the same
If it ain't given to me then I'mma take it
So let me just
Fly fly, fly fly
Cause they tellin' me it's my time
Fly fly, fly fly

And disappear into the skyline

[Verse 3]

If you got a dream
you should follow it
Cause not everybody's capable
of keepin' straight A's
for a scholarship.
As a kid
no one could figure me out.
So I would like to thank Hofstra
for kickin' me out.
And look at me now,
I'm doin' pretty well for my age.
Considerin' two years ago
I was makin' minimum wage.
Heh, and now we doin' okay,
Skyline-flow, up, up and away.
Heh, and I ain't lookin' for a handout
Shit I got the fans now,
mothafuckers stand down.
Live my life to a whole new beat
Finally standin' on my own two feet
Cause it got that tough,
been kicked while I was down.
But I never gave in, and I got back up
Yup, gettin' close, well I better be
But all I see is the skyline ahead of me

[Chorus]

I don't know about you but I know one thing
I ain't gonna wait around here to make it
Anybody with a dream got to feel the same
If it ain't given to me then I'mma take it
So let me just
Fly fly, fly fly
Cause they tellin' me it's my time
Fly fly, fly fly
And disappear into the skyline
