[Verse 1]

Mudd Munster following me uh  
It's hard but I really can't see uh  
He lives inside the trees uh  
Outside of New Orleans uh  
He'll eat your flesh like Hannibal  
Human type animal  
Oh, no, he's after me uh  
Mudd Munster, psycho creature  
Run, run  
No face, no fingerprints to trace  
Just like it never did take place  
Bloody master psycho creature  
Beware of the freak of nature  
Screams of pain coming from the mud  
Streams of rain cover up the blood  
Half human, half Gorilla  
Sasquatch, cannibal killer

[Chorus]

Psycho alien, stuck in my cranium  
Psycho alien, Let me the fuck alone

[Chorus repeat]

No where to run to  
No one to turn to  
No one to help you  
Time has come to die, die, die!  
Return to the dust from whence you came  
The smell of blood is in the rain  
And then his pleasure brings you pain

Ashes to ashes, dust to dust  
Ashes to ashes, dust to dust  
Ashes to ashes, dust to dust

[Chorus repeat]
