She's a woman

She's a baby

She's a witch

She's a lady

She's a free and gentle spirit

She can be what she wants to be

And if she wants to be with me tonight

That's alright

She's one hell of a woman

Young, strong and tame

But soft when she loves me

Like a gentle kitten in my hand

She makes me feel

Like a hell of a man

She's wild, warm and tender

She'll resist then she'll surrender

She's a free and gentle spirit

She can be what she wants to be

And if she wants to be with me tonight

Well that's alright

She's one hell of a woman

Young, strong and tame

But soft when she loves me

Like a gentle kitten in my hand

She makes me feel

Like a hell of a man

She's one hell of a woman

Young, strong and tame

But soft when she loves me

Like a gentle kitten in my hand

She makes me feel

Like a hell of a man...
