Not long ago in a place real far  
I knocked this hutch in a grill slash bar  
Fuckin up some prawns and chips  
Cuz Mac Dre dont eat omelettes  
Suckin my teeth like I'm da shit  
On Gin but I think its time to switch  
Bartender gimme somethin strong  
Dont wont no Ice Tea Island Long  
Gimme Stogies wit rocks and lime  
Man I get dat all da time  
Throwback Steve Larkin #80  
Looked up and I saw miss lady  
On my mamma  
I aint fat-mouthin  
Da bitch look like she could suck a thousand  
Her ass wasnt really all dat giant  
She must of been workin dat on a diet  
Man you know what she lookeded like?  
Dat Filipino broad Jay used to like  
Bottom line  
She was fine  
You dont see dis kind all da time  
Man you know my first name is Mac  
Walked up to her, pulled down my hat  
I said, "excuse me lady, is something wrong? You been  
lookin at pimpin way to long. Why do you keep on eyein  
da nigga?"  
Cuddie, da bitch start cryin a river  
I said' "Whats wrong?"  
Like I care  
She said she caught her pimp fuckin a square  
I said, "DAMN! U must be devastated"  
She said, "I been wit him since I graduated, but wait a  
minute, you look familiar"  
I said, "Come on now, look Cicilia, dats da oldest line in  
da book, dats bunk like dope I used to cook"  
She said, "Uh, dont you rap?"  
I said, "Yes it is I, Andre the Mack"  
She said, "ell now if dats da case..."  
Then waved five bow wows in my face  
She said shes been my fan since she was twelve

and if shes gone choose it might as well be me  
Da M to da D  
Is dat five bow wow choosin fee?
