Lord, I miss you  
I just can't get it  
Through my weary head  
You're really gone

I just can't believe it  
But all of a sudden  
I've got too much pain  
For one man alone

The nights drag by  
And it gets harder all the time  
To go to sleep without  
Your soft skin touching mine

(CHORUS)  
And I woke up on your side  
Of the bed again this morning  
With my old alarm clock  
Ringing half past eight  
With that old familiar hunger  
And my arms wrapped  
Round your shadow  
I woke up on your side of the bed

Another funky morning  
Sunday's dead and Monday's  
Dripping down my window pane

I wake up shaking  
Staring at the walls and  
Listening to the lonesome  
Sound of falling rain

I just can't make myself  
Believe that you don't care  
I keep on dreaming  
I'll wake up and you'll be there

(CHORUS) 2X

Lord, I woke up on your side

Of the bed again this morning  
With my old alarm clock  
Ringing half past eight...
