(I'm all about my paper so baby be 'bout yours) x3

If you're looking for a playa then baby I'm that boy
I'm all about my paper so baby be 'bout yours

I'm like a boat rider I may have my up's and downs
But I'm straight like club liquor, niggas watered down
I - ship through the city, hit a bassline
Track kick through the city while I piss through the city
Incredible hawk, the fact is in me
I can see the change when I twist the cap off the
Remmy
And you can blame rap while I follow bold dreams
Tryin'a blow up off the map like Apollo 13
And I ain't coming back down
(?) gravity, yea I'm holdin' it down
Waitin' in the low ride but I'm in the front now
When I fry nigga heads up better duck down
No lift on when they hear 'what now?'
Now nigga six leg he scored a touch down
I ain't down with the shit, you'll be lucky if I pound
Cos I'm man for a chick, this life's getting fast

It's all or nothin'

[Chorus]

Y'all niggas don't live like a stunted gold grill
Y'all really don't feel that it's all or nothin'
Y'all niggas don't feel how I'm comin'
Y'all still gettin' skril from ya mother
That ain't all or nothin'
I ain't even got a deal but I'm bustin'
No plan B motherfucker - it's all or nothin'
I do it for niggas out here hustlin'
No plan B motherfucker - it's all or nothin'

I make it interesting - double or nothin'
Switch the game like a jump rope, double the dutches
I win the bet gettin' two times cheddar
All I did was outta rope now I'm two times better
I keep running so I keep getting better

Keep a burner and a clip, hold kinks and yetta
That's - sixteen shots for your peeps nigga peep this
I got a frying pan and some grease for that beef shit
Don't need a diving board to hop off on some deep shit
I'm like a cross walk nigga always on that street shit
You niggas counting off
I bust cos my rap style keeps jacking off
Gotta take my jacket off
I attack the soft, unattach the jaws
How you suckin' through a straw eatin' apple sauce
This a man's game
So as long as I live and I'm here nigga I'ma do the deal
like

[Chorus]

Y'all niggas don't live like a stunted gold grill
Y'all really don't feel that it's all or nothin'
Y'all niggas don't feel how I'm comin'
Y'all still gettin' skril from ya mother
That ain't all or nothin'
I ain't even got a deal but I'm bustin'
No plan B motherfucker - it's all or nothin'
I do it for niggas out here hustlin'
No plan B motherfucker - it's all or nothin'
