Visit "[Got Me Crazy](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I hit the block in somthin clean they thought it was a  
rental  
200 hund diamonds shinin in my dentals  
Twomps  
And in the front a bad bitch  
The back a bad bitch  
And a bad bitch  
I'm 3 deep  
Sleep nevaaa  
I'm in the street  
Financial endeavour  
Sweat 'er  
Bets believe it  
U betta jet it  
In a six eight coupe  
Scrape wetted  
Super unleaded  
It's nuthin cheap like dem 15's knockin in the back of  
my seat  
Broke beezy  
Betta not try ta holla  
She muss be on dick dope and cockaa oggwa  
Wassup my nogga  
I'm mac dprevious  
Old skool  
Like war cuts and stavius  
An like dem CHP's be clockin me  
Dem PHV's  
Always knockin me.

The crest has got me crazy  
But I love the way it raised me

I smoke big bomb  
Get bomb headers from a dime piece  
I'm the kinda nigga that pimpin you might find me  
Down in vegas  
Fuckin with some playas  
Or maybe in frisco makin her get dough  
It's so stupid wen I do it  
Whoever listen to it

Just got ta get into it oohwee  
Chevy bluey  
All in my lung  
I'm dancin like a fool and they callin me dumb come  
Choo beezy  
Ride in my truck  
Quit talking so much go in slob on these nuts.

The crest has got me crazy  
But I love the way it raised me

P89 rouga  
67 couga  
Squattin through the traffic  
Watch how I movaa  
51 cleveland  
Leavin police  
Heat jockin  
Lovin it even ta know me  
My homey  
Betta known as cuddie  
Is buggin ridin shotgun goin nutty  
Or buddie love  
Witta bloody rug  
In a white bronco on dubs  
Wen I'm twistin turnin  
Proffesser dunkin  
Let rounds from my calico loose on these mussums  
Goose on he ducks  
For all of ya crew  
Nigga I'm a boot  
I ain't scared ta shoot

The crest has got me crazy  
But I love the way it raised me
