Yeah man, young Mac Dre
I pops it boy, I pops it big

[Verse One]

It all started off with the doctor telling my momma push
On that night in 1-9-7-0 mac dre hopped out that puss
I've been soaking game since rock 'em sock 'em and
hot wheels

Not never the chance to pass me I keep 'em jocking, I
got skills

And when I'm on the mic, styles I got so many
Drink privilege hennessy when I ain't fuckin' with
brehmi

M-A-C-D-R-E, that's me

Like 'em freaky like Janet not Jackson but Jackme, whee

To all my niggas in Atlanta to Alabama

Rodreego blowin' only homie, don't fuck with bama

I planned to have a ticket and kick it in the bahamas

Watch your hutch and don't trust your baby momma

Cause I will get your scrill when I kill all in them guts

Don't give a fuck when you give a crippled crab a
crutch

But they respect it if not they get rejected

I'm M-D the MC that's not to be corrected

[Chorus x2]

???????, uno, dos, cuatro

I'm sicker than ten j-cats that be gone off that vato

Most sexual intellectuall with at least 6 figures before
the decimal

Warm, hot, and respectable but I'm nothing correctable

[Verse Two]

I fucks with high rollers, shake highway patrollers

Quick to pop the trunk but will come from the shoulders

Got a cuddie named Dubee, he spit more raps than
loogies

And when he hand it to me I'm funky like him to me

Baby do me is all them hutches holler

I was breakin' bitches when phantom tops was on
granada

More game than keno, down to trips to reno

Sippin' cappachino with Natalia Shapino
C-note stacka' pack a P-89
Love group sex take 'em three at a time
And boy I be out of line when I'm full that tangerey
Quick to grab the chopper, cock, aim and spray
Urban guerilla warfare extraordinaire
You know a bout my macking but boy I'm more than a
player
Resurrected double R elected
Haters get ejected I'm nothing to be corrected

[Chorus x2]

[Verse Three]

Pistol packin' player, gangsta mac for real
About my scrill got to pay my bills
Boy I'm in it to win it if you weak and timid
Better watch how you spend I take yalls like timmy
Busting out like tities in a bra that's too small
Grew up off too short stackin' scrill too tall
Max Drizzay, all damn dizzay
I keep hoes dizzay in a one time busay(busy)
Been rappin' before they called mac mall Brehmis
Rompin' peace Mike Robinson son of Dennis
I'm in this to deep like Tim, Jim, and Johnny
Much love for my cuddies Jay, Ray, and Ronny
Raping pockets I get mine however it come
Boy I get dumb about my income
Mac furly up early sippin' X-O
Nothing correctable
