[x4:] What are you afraid of? (What are you afraid of?)

1 2 1 2 uh

Tell me your fears

Sometimes I see the uh

Sometimes I see the world for how fucked up it really is  
I tell myself I'll be the one to make a change in it  
I could die tonight not make it to the sunrise  
Then I couldn't heal the pain in it  
I'm gettin' high to forget about the lows though  
Get a pay check, spend it all on polo  
Designer brands cover up my insecurities  
Personally I ain't nothing but an average Joe though  
Now I'm dressin' so expensive, for no reason  
Cold world we livin' in, it's below freezing  
I got a family, can't afford to cope  
So I leave a little paper there before I go  
Spend a thousand on a hotel, they poor and broke  
Made me wonder who I'm prayin' to before the show  
This a letter to whoever, I'm just tryna set you free  
Remember love, if you can't, remember me

Dear people on earth after I die

What's the weather like?

1 2 3 4 5 6 7 8

And I ain't perfect but I try

Hey, I wonder if I'll maybe get a second life

This time I'm a get it right

It's either God or the devil with these drugs I'm on  
I don't know if we were meant to see it all like this  
Still, playing scenes so my money long  
Money addict, it's a habit that palms gon itch  
I wish we could just all get rich  
Sometimes not having money is all I miss  
And yet these hoes that roll up on my dick  
The all American girl, that's just a blond head bitch  
Am I supposed to have some thoughts like this?  
Could we figure out what God might've miss?  
It's funny that these questions never get an answer  
Life a bitch sometimes you got to reprimand 'er  
Never understand 'er, why should I even try?

Live forever then you never feel the need to die  
This a letter, open it to set you free  
Remember love and remember me

Dear people on earth after I die  
What's the weather like?  
1 2 3 4 5 6 7 8  
And I ain't perfect but I try  
Hey, I wonder if I'll maybe get a second life  
This time I'm a get it right

What does it mean to be a sensation?  
Do you have to be sensational?  
And how you know you made it?  
When you're with Killa Cam, watching Paid in Full  
I never had good grades in school but  
Shock the world is what I came to do  
I got a song I wanna play for you  
So can you sing that back to me?

I said what does it mean to be a sensation?  
Do you have to be sensational?  
How you know you made it?  
When you're with Killa Cam, watching Paid in Full  
I never had good grades in school but  
Shock the world is what I came to do
