[Verse 1: Mac Miller]

When you finally gettin' paid, everything be feelin'
great
When from diggin' in the crates, to chillin', gettin'
faded
Don't live a normal life, but I hope you can relate
And it's hard to see it right, blowing smoke in all your
faces
Coolin' at the crib, can't believe it's where I live
Can't believe it's what I'm doing, can't believe I got this
big
Can't believe this what I'm driving, can't believe this
what I'm wearin'
Yeah the benz is pretty cool, but I need a McLaren
When they see me out in public, got me up, say what's
good
Don't need to take a picture, it's better if you look
Going for you clean, give a fuck about a rook
Papa was a player; took some pages from his book

[Hook]

Spendin' time on this money, I get money all the time
Spendin' time on this money, I get money all the time
Spendin' time on this money, I get money all the time
Spendin' time on this money, I get money all the time

[Verse 2: Mac Miller]

To the seven telly and it's peanut butter, jelly.
Chillin' with da homies, smoking weed and watching
Belle
Headin' to the deli, rollin' with some Pirelli's
Now I'm gettin' money like 2001 Nelly
They wanna take my photo, my finger in my nose
though
Dutch's from the Cogos,
Playin' water polo
I bought an ozone, young Han Soulo
You start rapping and I'm like no no no no no, no
Do you get it? Tell me can you feel it
I'm only gonna get a bottle from you if you steal it
Time on this money, money all the time
Lookin at me funny cause your money in the climb

[Hook]

Spendin' time on this money, I get money all the time
Spendin' time on this money, I get money all the time
Spendin' time on this money, I get money all the time
Spendin' time on this money, I get money all the time

[Outro]

Big bank won't throw loans or free things
Stack that dough, go get yo paypuh!
Dividends could devastate ya
Make it right don't let it play yeah
Big bank won't throw loans or free things
Stack that dough, go get yo paypuh!
Dividends could devastate ya

[Hook]

Spendin' time on this money, I get money all the time
Spendin' time on this money, I get money all the time
Spendin' time on this money, I get money all the time
Spendin' time on this money, I get money all the time
