Who the coldest motherfucker in the room?  
Coldest motherfucker in the room?  
Who the coldest motherfucker in the room?  
Coldest motherfucker in the room?  
Who the coldest motherfucker that you know?  
Who the coldest motherfucker that you know?  
Bring him 'round here he's gettin' froze  
(He's gettin' froze, he's gettin' froze)

[Verse 1: Mac Miller]

Roll it up, let's smoke  
And tell me why your bitch look like Glenn Close  
I'm on my own two, that's ten toes  
First a rule of sly, somebody says go  
Why you bent low when your Jordans' retro  
Girls playin' games for the bills, they Drew Bledsoe  
There's a lot that you can buy, but I'll never own  
And a lot of information that I'll never know  
Learn 'til they get concerned for my sanity  
Your life is filled with vanity, needs a little clarity  
This the truth, this a taste, can you handle it?  
A million dollars couldn't cover up the damages  
Naked girl at the crib makin' sandwiches  
And when we makin' love I got a candle lit  
Some romantic shit to put her in the mood  
The world woke me up, now I'm lookin' at the snooze

[Verse 2: Curren\$y]

Life, look at my hands I'm the lord of the rings  
Musical cocaine brought me all of these Carrera keys  
Soft top goin' hard on the block freeze that talk  
And that plot about walkin' up on me  
No security just my homies, the well dressed army  
Presidential arm piece, my credentials I'm a G  
All access jets wherever you won't be  
Snatch that 'vette for my mans the day of his prison  
release  
Shoe was on the other foot I know he would've done the

same thing for me  
But we'll let that be  
Park it in the spot right next to my b with the chrome  
wings  
I was sent here to own things  
Both sides of the court, colder than the airport  
Therefore I'm the one that holds hair for, yeah what
