[Hook x2]

The definition of cool, that's me yo  
Ask ya girl about me, bet she know  
I'm the future, you a fake bitch, cleo  
All my bitches bad like it's Shaq shooting free throws

[Mac Miller - Verse 1]

Hey ayo, my first name Mac, my last name Miller  
On beats I'm a monster, I'm iller than Godzilla  
Yeah my skin Vanilla, I'm hotter than Chinchillas  
Hittin' Vegas for the night and cop a villa  
Get my lyrics from I'll and my soul from J Dilla  
Chillin' with the sour cause some smoke will kill ya  
I'm just me, tryna cover all these magazines  
And bitches try to give me treats like it's Halloween  
Lil' old school flavour when it's Jerm on the drums  
? like it's words from a gun  
Spittin' flames so they burn in my tongue  
Bitches wanna f-ck but they heard that I'm young  
And they still do, I'mma stick around call me Mildew  
Go and stay in Bel Air like uncle Phil do  
Get rich go and buy me a mansion  
Get my parents a nice crib up in the Hampton's

[Hook]

[Diggy - Verse 2]

Shots at a general, ? like an inner tube  
Drinking on tigers blood, that's what winners do  
It seems as if you'd like to hang from my?  
Whoa, pause, oh, gosh  
It is I, the D to the I  
With the two G's like it's Gucci attire  
Why, don't ask why, you're so inquisitive  
And these shoes I'm wearing are only limited  
My bad, was that a bit much, a tad  
Didn't mean to?, that was low class  
Pardon my rudeness that was so crass  
And I'm always making moves, cause I never procrastinate  
The number one spot is up for grabs Â– too late

What was that question you asked  
What's the definition of CO-OL  
If you haven't gotten it by now, oh well

[Hook]

[Mac Miller]

You aint cooler than me, go get a job bitch  
You aint cooler than me, go get a job bitch  
You aint cooler than me, empty pockets  
You aint cooler than, you ain't, you ain't cooler than me  
Little asshole got you so mad  
Make 'em say ughhhhh
