[Verse 1: Mac Miller]

Igâ'nant-ass white kid
But IÂ'm still bicycling and recycling
And IÂ'm still eating Gummy Bear vitamins
All my bitches taking Vicodin, huffing nitrogen
Hyper than WilliamsÂ' middle son, since I was
A little one, Moms had to put me on the Ritalin
Made a swisher run, crack the 40 then I lit a blunt
Told Chuck I had a couple raps, so we kicked the drums
All the best rappers are usually dead
But IÂ'm the poison that left a widow Juliet
In the studio with candles lit and Buddha heads
Coming up with all the coldest shit, take your Sudafed
Contagious, speaking while sedated
God shit, make Â'em want to add a couple pages to the
Bible
I ainÂ't got nothing left in my will Â'cept
Throw it all in the casket, itÂ's mine still
I need some backpack cast raps
Took a break just to kill the game half-ass
Set some rat traps, went to take a cat nap, woke up
Threw the dead bodies in the trash bags
Act polite, but IÂ'm nasty on the mic
Your bitch donÂ't want my dick, then she has to be a
dyke
Slap it but she like, tell me, Â"Master, feed my pipe.Â"
IÂ'm the Scotch on the Rocks, you the Appletini type
Bitch

[Hook: Mac Miller]

Suck my dick before I slap you with it
Gees
Suck my dick before I slap you with it
Gees

[Verse 2: Mac Miller]

Still fucking with these hoes, though
Ozo on these doppelgÃ¤nger Jojos
Take a bitch to Soho for some Froyo
Tell her she gone blow it, Romo
And now IÂ'm out in Cali like Tone-Lõc

Young boy, but Iâ€™m chilling with some grown folk
No joke, most dope, you just bowl smoke
How much coke you got to sell to make a boat float?
Hit â€™em, hit â€™em â€™til they tell me â€œNo more.â€
Iâ€™m a highly difficult ropes course
Pulling up to Rome on a chrome gold horse
Say â€œWhatâ€™s up?â€ to the Pope, pull off in a Porsche
Who you kidding? Your flowâ€™s warshed
I ainâ€™t from the street but I grow you from the porch
I been had hoes, I play sports
Her ass out the bottom of her shorts

[Hook: Mac Miller]

[Verse 3: Schoolboy Q]

Black James Bond in a white shaft
Turned my daughter to a queen, turned a dollar to a
dream
Flashy as high beams, smoking on good weed
Something from kush seeds, the only strand to smoke
for us OGs
Iâ€™m rich car service, no car keys
First class flight, â€™bout to land on a new bitch
She fuck me and swallowed every homie I came with
MCM bag and nigga, bet some weed in it
200 dollars worth of Backwoods, we all living
Brought the gangsters back to bucket hat, how real is
that?
Iâ€™m getting money, rub my tummy, thatâ€™s my baller
sack
Put a million in a safe in case I get a case
Faggot-ass judge hating on me cause my money
straight
Dropped 10 racks in all 50 states
Gone name my next tour Million-Man March
Make a nun throw it back while I pull her scarf
She gave me head, my nuts touched her cross, boss
