## [Verse 1]

Uh

Don't label me as no business (no)  
Came up in this country (yeah)  
Started out in the civic (yeah)  
Pray for rain til it's money (money)  
Praying more than sunday (sunday)  
Eating good, I'm still hungry  
Left no evidence on these dishes (clean)  
Watching movies, no sound (nope)  
Smoking weed in this dopehouse (dope)  
And my bitch coked out  
Smoke loud when she go down (suck a dick, bitch)  
Damn, this the life (life)  
Riding on Gary Fisher bikes (skrr)  
Know the kid is nice  
Piece of cake, you won't get a slice (bitch)  
Time of night, hide your kids, hide your wife (oh)  
Find a sip, bottle Sprite (oh)  
High as shit, blind a bitch, dynamite (bang)  
Bitch, tell me what your problems like (I wanna know,  
for real, I just wanna know)  
Just got the pipe, we could talk all night  
Sike
