feat. Future

Hoes go crazy, hoes go crazy, hoes go crazy  
Hoes go crazy, hoes go crazy, hoes go crazy  
Drop some good weed, some good molly

Some good syrup, enough for everybody  
Hoes go crazy, hoes go crazy, hoes go crazy  
Hoes go crazy, hoes go crazy, hoes go crazy

Ah, fuck around with these hoes  
Never givin no money  
Still they strippin out of they clothes  
Slut, bitch, that's the shit that I like  
Take a little that purp, and we mix it up with that sprite  
Hoes go crazy, see em poppin all of them bands  
Hoes go crazy, ass popping out them jeans  
Hoes go crazy, hood girls getting that fuck on  
You better suck this dick bitch, this ain't no love song

Whoa, riding round with these hoes  
Thirsty bitch with no role  
Give me head on the rost  
Don't, bitch this ain't no joke  
I'ma crash this car, with my dick down your throat

Hoes go crazy, hoes go crazy, hoes go crazy  
Hoes go crazy, hoes go crazy, hoes go crazy  
Drop some good weed, some good molly  
Some good syrup, enough for everybody  
Hoes go crazy, hoes go crazy, hoes go crazy  
Hoes go crazy, hoes go crazy, hoes go crazy.
