[chours]

we stayed up drinkin, twistin a ounce, as the girls come

take my homies, smoke my bud, sluts know im just
tryin to fuck.
so legs get drunk, untill were gone, everybody chuggin
beer
when the hook come on.

[hook]
i love high school
(aye)
ditchin class
(aye)
gettin fucked up,
cuttin in the bitch with the thickest ass.
(yawn)

[verse 1]
i wanna go to dice, for the rest of my life.
no not realy but it might be nice.
hardly wakin up,
never could i sleep in.
can't rember what i did what i did last weekend
a whole lot of drinkin, a whole lot of cheifin
a whole lot of parties, and some is only decent
so we gettin drunk, we dont give a fuck
told the topless smuts, keep fillin up my cups
the cups was red, posted up on the bed
you might get fucked, or you might just get some head
its what ever with me, get some head like the weed
thats just the motherfuckin kind of night i need
