Do you mind if we smoke this blunt outside?  
Cuz' it's nice out and we could get high  
Feel the sun shinin' and I'm feelin alright  
We outside, We outside (Hey, Hey, Hey)

I wake up, throw on some clothes and out the door I  
won't be back  
My shinin' sun horizon settin up a lovely backdrop  
My life's a topic of a lullabye  
(Ah) A breath of fresh air, is something right  
I don't wanna be inside today,  
just keep it rollin like we ridin' skates  
I got a happy of haze.  
So i'm thinkin we gon' get high today,  
And let the sun shine all in my face.

Oh yeah this life is good, don't let it all go to waste  
Just walk outside the door to get your mom off your  
case.  
Yeah, free livin', I swear, I be on some hippie shit.  
But gateway fresher than the hippies did.

I got the, the gift of gad, somethin that you wish you  
had,  
Don't even get a strap now I'd rather kick a rap  
Enjoy the place that you livin' at stay around  
We just some kids and this world is a playground

Do you mind if we smoke this blunt outside?  
Cuz' it's nice out and we could get high  
Feel the sun shinin' and I'm feelin right  
We could post outside for the night

Do you mind if we smoke this blunt outside?  
Cuz' it's nice out and we could get high  
Oh yeah the sun shinin' and I'm feelin right  
We outside, outside

When I be on some kid shit, gon take my shorty on a  
picnic  
And everyday feelin like it's Christmas

the kinda weather had by people livin' so priviledged  
I know the Lord Take, today he was tryna giveth

Hey, hey, ey, richard Paul, a sunny day a sunny day,  
We start the madness as soon as we hit the month of  
May,  
Rain, Rain, Go away, Waitin for my homie Mr. Sun to  
come our way.

Little kids runnin' through the streets playin,  
Papi on the porch he ain't got times to waste it.  
He's just a old man in the sea, Ernest Hemmingway,  
Elevate, look up in the sky starin Heaven Space.  
Second grade, holdin down the corner slingin'  
lemonade,  
Everyday hustler, you ridin' down penny lane.  
You ain't gonna get a day like this,  
so put the rest of your troubles with that goodnight kiss

Do you mind if we smoke this blunt outside?  
Cuz' it's nice out and we could get high  
Feel the sun shinin' and I'm feelin right  
We could post outside for the night

Do you mind if we smoke this blunt outside?  
Cuz' it's nice out and we could get high  
Oh yeah the sun shinin' and I'm feelin right  
We outside, outside

Do you mind if we smoke this blunt outside?  
Cuz' it's nice out and we could get high  
Feel the sun shinin' and I'm feelin right  
We could post outside for the night

Do you mind if we smoke this blunt outside?  
Cuz' it's nice out and we could get high  
Oh yeah the sun shinin' and I'm feelin right  
We outside, outside
