Don't control yourself,
This your life you own it, said you own it.
So live it up.
All that matters is this moment so who's coming, don't
control yourself.
This your life you own it, said you own it.
So live it up, all that matters is this moment
so who's coming, don't control yourself.

All I got is a dream come true, everybody wonder what
we gonn' do.
Drink in the red cup, pre roll ten blunts, when I go to
sleep I don't think Imma get up.
Stay in bed till the afternoon, cause you know what us
rappers do, get high, get drunk,
Then find some butt, girl, I wanna chase after you.
Lets live it up, live it up, party like we ain't got shit to do.
I don't give a fuck, give a fuck, nothin but cuttin up with
the crew.
My parents out of town so we gonn' put it down.
We takin shots, who can go another round?

Don't control yourself,
This your life you own it, said you own it.
So live it up. All that matters is this moment so who's
coming, don't control yourself.
This your life you own it, said you own it.
So live it up, all that matters is this moment,
so who's coming, don't control yourself.

Hey, I wake and shit, the first thing Imma do is take a
hit.
Tonights gonna be great, lets get a little drink, I'm
trying to get wasted bitch.
Its gonna be something to remember, too bad we wont,
wont,
and its gonna get hot in here so, don't bring your coat,
coat.
Take your clothes off, we gonna get crazy.
She's sorta fine, just borderline, but tonight she's
gonna be my lady!

My parents out of town so we gonn' put it down.
We takin' shots, who can go another round?

Don't control yourself,
This your life you own it,said you own it.
So live it up.
All that matters is this moment so who's coming, don't
control yourself.
This your life you own it, said you own it.
So live it up, all that matters is this moment
so who's coming, don't control yourself.
