Ay Yo you thirsty?
Hellz ya Im fucking dehydrated
You got any money
Three pennies and a bar of lint cuz

Chevy please let me roll this weed up
The the main event so watch people pull they seats up
Bottle of some gin lets just hit a couple freaks up
Ima take one home and have her singing like the glee
club
Never on no cheap stuff
Here we got expensive taste
Green lights never press the breaks
You can look at us roll all the kush that we blow
So you know im at the show looking good for theses
hoes
Got they man on patrol
Shawty wanna live it up
Playin hard to get but she wanna give it up
Yeah you smokin good but we probably smokin better
151 takin shots with no barretta
Know me homie im the king you could watch me do my
thing
With a drink getting drunk havin one night flings
This is Pittsburgh home of the six rings
We getting money now all we here Cha Ching

And we do anything to get this paper so they follow
everywhere we go
So for the bullshit we aint got later cuz we down here
on this road
And we do anything to get this paper so they follow
everywhere we go

So for the bullshit we aint got later cuz we down here
on this road

Cool ass, fly around chillen young fool
Gin cups sippen thats me, thats what I do
I got the gang in my bloodstream, strong how im livin
And Im G'd up so now they just throwin away the kitten
(it's real)

I swear you hella bad the younger mac tell me bout you
But we cool if you stuck up we could go without you
We on the money we schooling you know we be the
block

I swear the homie gotta gift so he dont need the block
Zig Zag papers, king size
Smoking chillin in angry cars, mean rides
Pops was a hustler and moms ran track
So tell me what you get in me when you mix that
I just sit back light minds
and middle finger you suckers with my nice rhymes
So whether home or the road
We gettin dough it follow us everywhere that we go

And we do anything to get this paper so they follow
everywhere we go
So for the bullshit we aint got later cuz we down here
on this road
And we do anything to get this paper so they follow
everywhere we go
So for the bullshit we aint got later cuz we down here
on this road
