uh yeah, little old school shit  
so she came up to me and asked my name  
i said it's funky mac i don't play no games  
if you wanna come home with me tonight  
you better play ya cards right.

i came to rock right now  
i'm the best and i came to get down  
i've been known to rock a microphone  
she got a boyfriend but left him home  
see i got style, so yes i brag  
the things i do just make them mad  
download new kicks to my ipad  
why ya girlfriend look like she's dressed in drag  
you a fad, this is forever, ladies in love with my agenda  
my names something these girls remember  
she write hers down, return to sender  
i don't need it, thinking she can keep her secrets  
one night only that's how i treat this  
sleep in?  
bitch please make me some breakfast  
and then leave.

so she came up to me and asked my name

i said it's funky mac i don't play no game  
if you wanna come home with me tonight  
you better play ya cards right.

ya see i came to rock right now  
i'm the best and i came to get down  
i've been known to rock a microphone  
girls audition to bring them home  
see i might choose, so just go with it  
her mom adores me, dad thinks i'm a nitwit  
it don't really matter i'ma have her fall in love  
i need my booty brains booty and she all of the above  
relationships, i hate that shit  
got one night only so make it quick  
you see me out, wanna take a pic  
fuck me once, wanna date and shit.

i aint that rich, but i got friends  
make a sandwich, get me fed  
decide right now don't got all night  
this the life so play ya cards right.
