[Chorus x2]

Had some baggy gear, now my clothes tailored (x2)

Had a fitted cap, now I rock a snapback (x2)

Uh, I used to rock a double X L

Now the ladies all say I dress well

With a nice pair of jeans, LRG or Mizou

Crew neck sweatshirt, hat and some clean shoes

Pocket stayed equipped with some paper and some
gold piff

Pack of gum squares, blackberry and a phone clip

Got Most Dope Clique, bunch of mothafuckers lookin'
fresh

Crooks and castle dress

Sl-sl-sloppy haters shouldn't mess

Walkin' by your lady and I'm sorry if I took her breath

You was just baby, crying til you was shook to death
(bitch)

Fade away like an etch-e-scetch

Don't second guess, ain't nobody better dressed

Text hoes we're less clothes then her mama like

Church girl always go to school she the honest type

But when it comes to boys she like 'em bad

So holla at the kid I got swag

[Chorus x2]

Had some baggy gear, now my clothes tailored (x2)

Had a fitted cap, now I rock a snapback (x2)

Nic nac paddy whack give that boy some clothes

Imitate the kid, you may get yourself some hoes

Snap back, flat cap, abstract swagga

Kid come correct never messin' up the pattern

Y'all jigsaw puzzle

Mismatch mess, got my J's on wit some jeans lookin'
fresh

Yes my colors match

and I ain't no other cat lookin the kid

Yeah none of y'all fuck with Mac

You rockin' something that lookin' like a lumberjack

How you wearin' 3 different t shirts under that?

Teach you how to dress real stylish, I'm the wildest

Nothin' on me lookin' childish

Fire talk, I am hot
Y'all is just some mild sauce
Got my clothes tailored
Fits so nicely
Soon you'll see these mothafuckers dressin' just like
me

[Chorus x2]

Had some baggy gear, now my clothes tailored (x2)
Had a fitted cap, now I rock a snapback (x2)
