[Wale]

This is the fun part, no what I'm saying?

[Wale]

Seen the highs and lows, remember when I was broke
Trying to shower with soap, roaches all in the soap
Now I'm killing these shows, I just deliver the hope
These women give you their heart, these bitches give
me they throat
These bitches give me their mind all the time let a way
to break it down
Never tell em bend over I just make em' take a bow
Stepping out fly shit, straight purple cloud shit
Roll the whole mountain, now I'm on the couch bent
Okay DMV shit but they know me out in PA
Scooping out hoes at the O's out in PA
HAHA okay my flow is on that freebase
Louboutin sneakers I suppose I can relay
Mac Miller my little nigga, real nigga
PA skillin we on a roll like thick strippers
You still sleepin, you can't see em, we still beefin
We still rolling, we still blowing, we still achieving
I'm still killing, still winning, we still Sheen'ing
I'm Ricky Vaughn on the song, why you still swinging?
Why you lil niggas still swinging? Got virgin tight flows
still bleeding

[Hook: Mac Miller]

Maybe good shit happens, so what if it does?
Baby the worst gonna come, sow what if it does?
It aint nothing to me, I'm who they comming to see
So I aint giving a fuck.

[Wale]

My nigga good shit happens, so what if it does?
Baby the worst gonna come, sow what if it does?

It aint nothing to me, I'm who they comming to see
So I aint giving a fuck.

[Mac Miller]

I aint give a fuck, I hear em talking I don't listen I'm up-
In the clouds looking down, I aint even in a rush

I been laughed at, hated on, no one would even play
my songs
Wouldn't even listen to anything that my name was on
It's so hard and it's so an this marvelous flow
Cause as hard as I go I know that I can't stop wont stop
I love what I do, you don't even know yourself how we
fucking with you?
I aint got time for all the problems, no I never did my
trig
smile on my face got me feeling like the shit
Bill Clinton pimping, always with a monica
Days Inn.. turn that shit to hotel erotica
Marijuana for everybody in yamakass
I don't give a fuck till my homies put some bottles up
And talking shit we gon' party all day, when I'm in the
DMV I hit the home Wale
Hit strip clubs find bitches with big butts
I don't give a fuck I'm getting drunk, only live once
Young and dumb as hell, something something
something something fuck it

[Hook: Wale]

My nigga good shit happens, so what if it does?
Baby the worst gonna come, sow what if it does?
It aint nothing to me, I'm who they comming to see
So I aint giving a fuck.
