Stop bitching, stop bitching, stop bitching
Stop bitching, stop bitching, stop bitching
Stop bitching, stop bitching, stop bitching
Shit ain't gon' change, ain't nobody gonna listen
You need to just stop bitchin
Mac got your favorite sentence
Aha, these other bitches just table tennis, aha!
Put some weed with some rice in this cajun
that's spicy Jamaican, i'll Schmidt you for hatin
Rap shit is nice, but I might need some fragrance
I'll be that rap all the white people playing
The game well is changing, these radio stations
Can show 'em dollars, and I'm the scholar.
Hip hop today aint, and paid
Dr. Dre wouldn't get the chronic played
And that's a shame, a shame
Just some shit I gotta handle
I get these bitches a little something they can dance to
I ain't gonna be a s how that gets canceled
You ain't like what's on change the mother fuckin
channel.
My hip hop peoples, i feel your pain
But it ain't no reason to just sit and complain
on a track sayin fuck rap, all of it's whack
Cause cream mother fuckers say this all for the cash!
So for your single, sing a little jingle
Then you can stack chips like Pringles
It ain't hard it's easy as magic
Dance, do a backflip, make some cool ?
Once you see that check that you like, say fuck it
and go back to blessing the mic
it's hip hop forever, but it's stressing the fight
And money makes it easier to rest here at night!
Hatin on soldier boy, it shouldn't happen
Look at them laughing, he know he ain't that good at
rapping!
You can hate, but it ain't gon solve shit
Hip hops a culture it's gon evolve quick
That's the music I don't bump and bang, but it is what it
is
Let em' do they thing!

Stop bitching, stop bitching, stop bitching
Stop bitching, stop bitching, stop bitching
Stop bitching, stop bitching, stop bitching
