Baby, just tonight, oh yeah baby, just,
Never, never, never, just tonight
Oh, baby, baby, baby, just tonight!

See a five dime on my,
Take her over to the crib for a ,
It's the life that chose for the music
The class clown, hip-hp, three students.

Gotta keep it moving
MCs and beats like it's food that I'm chewing .

Oh my God, homies find women
Liquor on my cup, and got my mind spitting
Plus is wishing, about to put,
