We own the night
It's wicked bitch
One night out we â€¦ with them
Wake up next state
Don't know where I am
That was crazy
What a night
We own the night
It's wicked bitch
I think I'm about to get some
I don't even think I know her name
What a lady, what a night
She's in love
With a big shot
I'm in love with a big top
And this ain't the club
Girl you look dashing
Take off the fashion
I can imagine

I see I'm having the time of my life
I've never felt this fine in my life
â€¦ his ride
And I'm having the time of my life
Time of my life
Time of my life
Time of my life
The time of my life
The time of my life
The time of my life
The time of my life

Hey, hey shots on shots on much more
I'm pretty sure that I've never felt this good before
Like what a lady, what a night, what a life
I can take you home
I can be the ride if you like
Small town girl loves big blunts
Let's roll some baby, go to new heights
You the type to get fucked up
So you know what?

Let's do just that
Let's drink till the bottle goes dry
Only live like one time
I'm a spend my high why lie
Baby we can paint the town all red
You should lead that
To stay with me right here instead
Tell the bartender pour some more drinks
And I'm heading over up but we don't care what they
think
I'm really sweating as good as it seems
On the Katy Perry shit
This is Teenage Dream

I see I'm having the time of my life
I've never felt this fine in my life
â€¦ his ride
And I'm having the time of my life
Time of my life
Time of my life
Time of my life
The time of my life
The time of my life
The time of my life
The time of my life

I said 'hi'
I shacked her hand
She looked at me like I'm psycho
My girl is dirty
Clothes clean
Hell I'm the bomb
Like wake up
Zombie
Agoff to these infidels
You don't want to static with me bro
Single ladies this your song
Get off the wall like mike oh
Ah we do the life of the party
Pack another bump
And got a pocket full of gnarly
We talking to them hoes be
Niggers to the young â€¦
Sell coke to the â€¦
You love this place show me
Any time, any place like everybody owns me
Yea and we run this bitch
â€¦ swag on the California strip

I see I'm having the time of my life
I've never felt this fine in my life

â€¦ his ride
And I'm having the time of my life
Time of my life
Time of my life
Time of my life
The time of my life
The time of my life
The time of my life
The time of my life
