## (Verse 2)

Head starts spinning and my legs get wobbly
Every morning wake up, liquor in my coffee
Yeah im trying to party, find an open house crib
Screw the law, we just some motha f\*\*\*ing kids
Never listen to nobody who was trying to tell me "No"
Cause I got no problem being way out of control
Got these ladies going crazy at every single show
But you aint drunk enough until you taking of your
clothes,

Not me, you can do you, do some crazy shit that's popping up on YouTube
Filling to rock out, I aint talking YouTube
Passing out, waking up without shoes
Live life on the edge, sharper than a razor
Like my liquor straight I don't ever need a chaser
Have a good time, aint a reason we should fight
Party with me we staying UP ALL NIGHT!
