He could tie a great knot as a kid  
Always had ropes in his hands  
Hanging himself in the attic  
His behaviour was quite erratic  
He had such a high IQ  
But he was a devious killer too  
He'd tie up the girls and then  
Take their lives away  
Harvey Glatman  
Your soul will forever rot man  
The sadistic way you killed  
Was the way you got your thrill  
Harvey Glatman  
The gas chamber is what you got man  
You raped and murdered three  
And you showed no sympathy  
He posed as a photographer  
Who took pictures of bound and gagged girls  
That's how he got them alone  
Then he'd tie them up with his ropes  
He'd rape them repeatedly  
He was an evil man indeed  
He'd strangle the girls and then  
Leave them to rot in the sand  
Harvey Glatman  
Your soul will forever rot man  
The sadistic way you killed  
Was the way you got your thrill  
Harvey Glatman  
The gas chamber is what you got man  
You raped and murdered three  
And you showed no sympathy
