Welcome to Charley Gein=B9s Spoon Ranch East,

Daniel=B9s cooking supper =

his girlfriend is the feast.

Is it soup yet? Made from a head

I think Daniel=B9s cooking the dead.

Is it soup yet? Made from the dead

Daniel Rakowitz boiled his girlfriends head.

Daniel=B9s girlfriend broke up with him, so he went

and got a pot to =

boil her head in.

Is it soup yet? Made from a head

And with that soup the transients were fed

I sit soup yet? Made from the dead

Daniel Rakowitz boiled his girlfriends head.
