Macabre "Rat Man"

Visit "Rat Man" on MotoLyrics.com

The day he got bit by a rat He wanted to kill all the cats His hair it turned grey on that day He then grew a tail and some fangs

He's not batman He's the ratman Rabies foaming From his mouth, yeah!

And now he looks just like a rat He's killing and eating the cats He's out on the streets every night You'd better stay out of his sight
