(Jeffery Dahmer)

Jeffery lived in Milwaukee with eleven men

But they were in pieces because he dismembered them.

What=B9s that smell? - did something die

The landlord thought that it was coming from outside

What=B9s that smell? - that rotten smell

It=B9s jeffery Dahmer=B9s apartment of

HELLLLLLLLLLLLLLL!!!

He took a bus to Chicago so he could pick up queers

Invite them to his place and then he=B9d drug their beer

What=B9s that smell? - did something die

The landlord thought that it was coming from outside

What=B9s that smell? - that rotten smell

It=B9s jeffery Dahmer=B9s apartment of

HELLLLLLLLLLLLLLL!!!

And once they were asleep Jeffery Dahmer would kill them

Cut them up and eat certain pieces of the men.

What=B9s that smell? - did something die

The landlord thought that it was coming from outside

What=B9s that smell? - that rotten smell

It=B9s jeffery Dahmer=B9s apartment of

HELLLLLLLLLLLLLLL!!!
