Come singing , saying praise
Her beauty lives
Come singing , saying praise
Her beauty lives

Come singing , saying praise
Her beauty lives
She is not dead

Although I must walk alone
I am part of her
If I must hurt anything
It will not be her

Come singing , saying praise
Her beauty lives
She is not dead

What happens to her
Happens to me
What happens to her
Happens to me

Although I depart alone
From our great earth
She has given more
Than I can return

Come singing , saying praise
Her beauty lives
She is not dead

Come singing , saying praise
Her beauty lives
She is not dead

Come singing , saying praise
Her beauty lives
She is not dead

Come singing , saying praise
Her beauty lives

She is not dead
